**PREFACE.**

In presenting to the public the Plainfield Directory for 1900, we hope we have succeeded in producing as accurate a book of this description as is possible.

We have made a thorough and efficient house to house canvass, and no one can appreciate, but by actual experience, the difficulties which constantly arise in procuring the information for a book of this kind.

But by bringing into execution the methods learned by many years' experience, we believe we have reduced the possible errors to the lowest minimum.

Thanking the public and our many patrons for the kind support they have extended to us, we remain,

Yours respectfully,

THE WAND COMPANY,  
101 West Front St., Plainfield, N. J.
